RE: 3MTM Ultra PPD and Ultra RC Packs

To Whom It May Concern:

The 3M products listed above are considered to be manufactured articles under WHMIS legislation and are not required to have a Material Safety Data Sheet. In certain cases Material Safety Data Sheets have been issued for manufactured articles by 3M, however these documents are not subject to the three year update requirement of the Controlled Product Regulations as the product is not WHMIS controlled.

When used under reasonable conditions or in accordance with the 3M directions for use, these products should not present a health and safety hazard; however, use or processing of the product in a manner not in accordance with the product's directions for use may affect the performance of the product and may present potential health and safety hazards.

Please contact the 3M Product Information Centre at 1-800-265-1840 should you require further information about this product.

Thank you for your continued interest in, and purchase of, 3M products.

Sincerely,

3M CANADA COMPANY
